MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This is the first official report on work begun in Nunaka Valley in February, 1959, with the formation of Sunday School and the conducting of evening services. The Sunday School has grown since that time to an enrollment of over 60 with attendances consistently running above 25 and as high as 50. Since late July the services have been held in the Board-owned manse property. Beginning in mid-September, worship services were conducted at 9:30 a.m. with attendance varying from 5 to 12. This is about what was attending in the spring in the evening. To date there has been little intensive calling other than that done by Miss Olive Fisher on her Parish visitation prior to her leaving July 31.

The major burden of the work has been carried out by Mr. and Mrs. Lloyd Ruliffson in whose home services were initially held. They have almost single-handedly supervised the Sunday School, maintained the building, giving generously of time and money to provide necessary equipment. Mrs. Ruliffson is now endeavoring to do visitation in the housing area as will the Pastor when time permits. Throughout the winter of 1959-60 we hope to develop a nucleus of interested people so that a full-time minister may move ahead on his arrival.

Major activity for consideration during the month of November was a discussion regarding consolidation of our church with Woodland Park. At every group meeting possible this was explained by one of the officers or the pastor in order to acquaint the entire congregation with what was involved. The congregation met on the last Sunday of the month and voted unanimously in favor of the consolidation and relocation which that would require.

A small number gathered Sunday evenings for an Inquirers' Class which was a sharing together informally of ideas about the church. Some of these are potential church members, others are long-time members wanting to learn more or having questions they wanted answered. We plan to hold this periodically during the year.

Probably the strongest gains numerically in the activities of the church have been by the church-sponsored Cub Pack which one of our new members, John Lawrence, is spearheading. They now have 41 boys from this area.

Visitation by Mrs. Ruliffson on families in the Valley has resulted in some fine contacts and new attendants at church. I see little or nor possibility of the pastor doing intensive calling in the area because of the new church plans at Faith. I shall try to follow up those who show some interest as far as possible. With about three good families to serve as a nucleus much more could be done. We have one such family and a good prospect in a newly-found family there. We are hoping the Sunday School Christmas Program will be an evangelistic opportunity to reach families not now coming or acquainted with the church.

Services continued through the month in Nunaka Valley with some increase in adult participation and a continued increase in the Sunday School enrollment. At the end of the year that enrollment had reached 72 with attendances as noted from 46 to 52. A Christmas program was presented in the Elementary School providing an opportunity to reach several of the parents who had not before attended any services. Several of these expressed interest and hopefulness in the plans for a church but also expressed their own problems of attending services under present conditions with several pre-school children in their families. Some of these are trying to work out this problem. Major responsibility in visitation and guidance of the work continues to rest with Mrs. Lila Ruliffson, Sunday School Superintendent and Faith Church Elder designated to supervise the work.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The month of December, as is customary, focussed everyone's attention on Christmas observances. Early in the month groups of Sunday School children were photographed and recorded, as this year's Sunday School program involved slides and recordings. It was the plan that in this way families could, in a large measure, sit together during the program. This plan worked out fairly well.

The month saw continuation of illnesses, particularly of children, which had its effect on attendance. This, coupled with other factors, brought an abnormally low attendance throughout the month. Christmas Eve Service was held at 7:30 this year rather than at a later hour as in other years, again in order that young children could be able to attend with their families.

It was necessary for Mrs. Campbell to leave during the month because of illness in the family. On December 11 at a special meeting of Yukon Presbytery general approval was given the request of Faith and Woodland Park churches for consolidation at a future time.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The main activity of the month was the Congregational meeting held Sunday night January 18. (I would have preferred another night but they have been having them then.) We completed all the business and included a short message. In other years these meetings have continued a second or third evening. Along with the election of officers the financial report for 1958 was received (see attached copy) and the 1959 budget was adopted (see attached copy). Note in the budget that our pledge to the Board has been raised from \$6000 to \$7000 for this year. The pledges came in better than was expected and the budget was increased \$1000 over the proposed budget of December. Also approved at this meeting was a request for an indefinite amount of aid from the Board of National Missions. Our Goals for the new year were summed up in a theme verse: Phil. 1:21a.

I have begun a new members class for young people with 18 present at the first one. I have been gratified with their knowledge of the Bible and understanding of the basic truth of the Christian Faith. The work done in Christian Education through the Sunday School, Youth Groups, and ~~the~~ in the home has been effective in spite of many handicaps.

For the last two weeks of the month the Assembly of God Church had a series of evangelistic meetings. Many of our people attended some of them. Much pressure was exerted and many of them went forward. At the end of the meetings an open invitation for baptism was given and 18 of our members were immersed. Samuel and I expect to call on these to see what their intentions are concerning their future relationship with the Presbyterian church. All but about four of them were fringe, rather inactive members. For those and others who expect to attend there regularly the Session will give letters of transfer. We hope that this will help the faithful Presbyterians to realize that they need to be loyal to their church and that to take part in the Assembly activities means a definite and complete change of Churches.

Many showed their loyalty to the Presbyterian Church by not attending these meetings after repeated invitations from some of their adherents.

In the maintenance end of the work the Griest Room has been completed: wall paper was put on, the book cases put in, the floor sanded and varnished, and the furniture put in. We had the cat "Cherry Picker" repaired by the hospital welder and more ice was brought from the lake.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The dust has settled since the meetings at the Assembly Church. Because of those meetings six or seven of our members have again become very active which before never attended services. We only lost four active members along with about fifteen others.

As a result of criticisms of infant baptism I asked the session if they would like a message on this doctrine. They approved and it was given Sunday evening, Feb. 8, with Samuel interp. Twelve people came forward to rededicate their lives to the Lord or seeking the help of the Elders with some problem or sin. Again with the session's approval the following week I brought a message comparing the doctrines of the Assembly of God and Presbyterians. It was a long one but many expressed their appreciation of this message.

Because of the meetings at the Assembly Church many have for the first time sensed a difference between the two churches and have declared their loyalty to the Presbyterian Church.

Several months ago the Geneva Fellowship asked to lead Prayer Meeting once a month. The Session granted their request and they have done a fine job. Now each week more of the younger adults are taking an active part in giving testimonies. Attendance has grown quite a bit and the meetings are getting longer.

For four Monday evenings I had special training meetings for the new Elders and Deacons who were ordained and installed Feb. 22. We discussed the Westminster Confession of Faith, the Form of Government, and some duties of their offices.

Along with the 12 decisions mentioned above there were three who confessed faith in Christ for the first time ~~rededicated~~ and three who expressed a desire for rededication. It is Thrilling to see these fruits of the Lord's works among the people here.

Since the middle of November Samuel has been meeting with us for two hours a week to help us get started on Inupiat. We have gone through Roy's book and have many of the words for general conversation. Since we started flying the Arctic Messenger again we will concentrate on learning what we have studied with less meeting together. We have a long way to go.

The last week of February we got the airplane ready to fly. The day I was heating it for a short test hop a dog team arrived from Meade River saying one of the men was too sick to travel by dog team and wanted me to go for him. We had just enough time to get there before dark. He was resting well then so we waited until morning before starting back. With some anti-biotics and rest he recovered from what could have developed into pneumonia. There were eight adults and two children in Meade River. We had a service together. Only a little coal is being mined this year so few have gone out to work.

We had some warm weather late in February so Samuel and George brought in our summer drinking water ice. We hired two men to put it in the ice house. Also, in the line of maintenance the lights in Marsh Spense Hall were moved and new guards for them were made by Sam Talaak.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The most dramatic event of the month was the overinght camp-out by the Arctic Messenger III 15 miles from Umiat because of engine failure. The newspapers made much more out of it than it really was. We were safe, comfortable, and in radio contact with help all the time. It was just a matter of sitting tight until help came. (A full report has been sent to New York and Juneau.) The engine has been repaired and the plane flown to Barrow.

There was a significant change in the handling of local funds. The Trustees elected one of their number, Warren Matumiak, as Church Treasurer. This was approved by the Session. He handles the books and makes out the checks for all the local offerings. This is a big job I am glad to see in the hands of a responsible Eskimo. The Trustees also now require two signatures on all checks written on the church accounts. I still hold all the special accounts which were carried before.

The decision was made to try the youth material prepared by the Christian Service Workers Bureau for all three youth groups. Since coming here I have been concerned because Presbykids, Polar Cross Bearers, and Westminster Fellowship seemed to be mostly games with very little instruction and very little training in leadership. Last fall George tried the Westminster Fellowship Kit for this year. We found that it is geared to social problems and discussions far removed from Barrow and that as with the Sunday School material it was over there heads to discuss. We are beginning with the new material in April. There will still be games but the devotional program will be lengthened to at least an hour of each meeting. George Johnson continues with W.F., Samuel with Polar Bearers, and myself with Presbykids.

The Holy Week services were well attended and we had a very blessed day on Easter. The men in the National Guard were gone from the village between March 15 and 29th. Most of them were back for the 11:00 a.m. service and the rest were here for the one in the evening. ~~Many~~ Along with the return of these men George Wood and his family came in from the Colville Delta where they live and several others came home too.

With 467 in the Sanctuary Easter Sunday Evening about twenty people stood even after all the chairs and benches were brought to the sanctuary. The four pews on order will be greatly appreciated. We could also use more folding chairs for Sunday School.

The Session has decided that Bible School in Barrow this year will be June 15 to 26. The material to be used is that published by Scripture Press.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The oldest Elder of the Utkeagvik Presbyterian Church, George Leavitt, went to his eternal reward on April 10th. He was at the Native Hospital in Anchorage under observation when he died unexpectedly. He served his Lord and his church faithfully for many years. He had been ordained an Elder in 1912. He had been active until January 1958 when he retired on the rotation system. There was some doubt as to when his body would arrive in Barrow so I left for Presbytery April 13. Samuel conducted the memorial service for him on April 14.

A great tragedy struck the village in a fire that took the lives of a whole family: Willie & Virginia Nayakik and their six children. This was on April 28th. The day before I had flown Samuel to Barter Island. They notified me there and I returned to Barrow leaving Samuel behind. I went back to Barter Island April 30 but arrived too late to hold a service.

That evening Samuel and I talked with Herman, Isaac Akootchook, and Harold Kaveolook until quite late. Several Assembly of God missionaries have visited there recently but have not caused the confusion that exists in Barrow. To encourage them in their loyalty to the Presbyterian Church we discussed building plans for a house and church. A site was chosen for the church property and tentative plans made for acquiring the land. The DEW Line site at Barter will provide the foundation pilings and most of the materials for the sub-floor of the house are available there. I also told them that I would ask the Board of National Missions to consider sending an Eskimo pastor there by the fall of 1960 to divide his time between Barter and Anaktuvuk Pass. Between the two villages we have over 120 members. The Christians at Barter are hungry for a well-rounded spiritual diet and this is the only way they can get it. An estimate of the cost of materials for the house will be prepared in September. There is a possibility that arrangements can be made to transport them from Barrow by the DEW Line service barges.

Barbara, Sara Lynn, and I flew to Anchorage and back for Presbytery meeting. Roy Ahmaogak went with us. We found the meetings very helpful, interesting, and inspiring. It was our first opportunity to become acquainted with the total program of our Church in Alaska. Having had this opportunity I am sure we have a better grasp of the whole picture and where the Arctic work fits in.

We had another new members class for adults in Barrow after Easter. Seven of the 11 who attended joined. The others will join after Whaling season is over. These men were already out on the ice.

The six young people Samuel had prepared for church membership at Anaktuvuk Pass were received at the communion service conducted by Roy and myself on the way home from Presbytery April 21. As we were warming the plane for the return to Barrow Robert Paneak, a boy of 15 yrs., came up to me and said "When are you coming back? I want to give my heart to Jesus and join the church too." It is experiences like this that make mission work such a thrilling work.

During the first week of the month the quarterly news letter, The Arctic Herald, was prepared and mailed. A copy is enclosed.

The second and third weeks were spent in preparation for Vacation Bible School teachers "kick off" dinner and week of training. The dinner was held Tuesday May 26th. Only about half as many teachers as needed came to the dinner. Many of the young people back from Sheldon Jackson came to be helpers. They are making an excellent contribution to the work. Teacher training for VBS will be held June 8 to 12 and the classes of DVBS will be held June 15 to 26 with a closing program the 28 th.

Arrangements were made for a new engine to be installed in the Arctic Messenger III June 1 and 2 at Clay Center, Kansas. I left Barrow with the plane j Wednesday, May 27. Bad weather kept me from getting through Anaktuvuk Pass until the afternoon of the 28th. That night was spent with John Bartholomew of Tok Junction. The following day brought me to Ft. Nelson after flying through some light rain showers. Another half day was lost because of weather there. That evening about dusk I arrived at Edmundton. The Lord gave an excellent flying day Sunday and in ten hours flying time I went to North Plate, Nebraska. Monday, June first, I took off at 5:50 A.M. and arrived at Clay Center, Kansas, at 7:55. The men were to go to work on the plane at 8:00. It was most unusual to fly from the Brooks Range all the way to Nebraska and only loose a half day of flying because of weather. I was very thankful to the Lord for His protection and provisions for this trip.

Chaplain Paul Maurer of the DEW Line supplied the pulpit of Barrow for the English services the last Sunday of May and the first Sunday of June. I appreciated very much his help.

The Alaska Seminar under the direction of Dr. Jackman visited Barrow July 8th. and 9th. They were greeted by fog upon arrival and experienced the very rapid change that often takes place in weather here. The afternoon and evening of the 8th. were mild and there was some sunshing. The next morning brought 40 mile per hour winds to wisk them on their way down the coast.

The group had lunch and dinner at the church with tea during the afternoon at different Eskimo homes. The Adult and Youth Choirs presented a music festival. They//we choir was disappointed that they only gave a medioker performance. Following the service we enjoyed a reception given by the Geneva Fellowship for our thirty guests. Even though their visit represented a lot of work I am sure the benefit to the churches outside and to the individuals who came made every effort more than worth while.

We also had Miss Jeannette Harrington and Mr. Joe Elkins visit Barrow in July. They spent two very full days with us. The first afternoon I took them in the mission plane to visit Samuel who was camping with several other families about 40 miles from the village (His first full month vacation since coming to work for the mission). They were delighted to get some pictures of seal hunting, a typical Eskimo summer camp, and of Samuel and his family. That evening the Geneva Fellowship was having its annual picnic down the coast so Joe took some pictures of their departure by boat. Then we flew over them en route to get some others. That evening he also got some pictures of the Fortyniners and Eskimo dances. The next day we went to Wainwright where Roy was holding Bible School. On the way back we ran into fog about three miles south of Barrow. We landed on the ocean by another Eskimo summer camp. I put the plane on a lagoon there and we hiered the Eskimo to bring us to Barrow in his skin boat. Jeannette and Joe were good sports and took the whole thing with a smile. Later that evening we looked at over 100 slides and turned in. Refreshed after the nights rest they boarded the Wien plane forppints South.

We were happy to give them these two days because only an informed church can really be a giving, praying, supporting Church. We pray that the information they secured will be of great value in the total ministry of our Presbyterian Church not only in Barrow but also in the total mission program.

During the last two weeks of July Fred Hauman was in Barter Island conducting Bible School. He led one department and Mary Ann Rexford with the help of another girl led the other. Mary Ann will be Junior at S.J. next year. Together they had about 35 children and young people. Fred also preached both Sundays he was there. I made two trips to Barter Island with the Arctic Messenger and held two services there also. One was a communion service at which six children were Baptized and two members were received.

Since I was unable to take Dr. Jackman and John Stokes to Anaktuvuk Pass to dedicate the chapel July 8 th. I spent the following Sunday there while Fred and Samuel took the services at Barrow.

The first week of the month was spent at Clay Center, Kansas, while a new engine was being installed in the mission plane, and in the return trip to Fairbanks. The plane was left there to have the floats installed because there was no place to land on wheels at Barrow. Fred Hauman, who joined me at Clay Center came with me in the Arctic Messenger III to Fairbanks and both of us came on to Barrow on Wien June 8th.

Samuel had already started the week of Bible School Teacher Training the day before we arrived. Fred immediately took over the Jr. Hi. Dept. teachers and did an excellent job. There were about 25 teachers present each afternoon.

VBS began Monday, June 15 and continued through June 26th. We had five departments this year: Nursery (5 yr. olds) with 40 enrolled. Assembly was held upstairs in the Igaloo

Beginner (6-7 Yrs.) with 90 enrolled. It met in Marsh - Spense Hall.

Primary (8-9) with 84 enrolled. It met in a borrowed 20' x 40' hospital tent.

Junior (10-12 yrs.) with 105 enrolled. It met in the Sanctuary & adjoining rooms.

Jr. Hi. (13-15 yrs.) with 31 enrolled. It met in the front room of the manse.

The Total Enrollment was 370 pupils and 33 teachers and helpers.

The four younger departments had Eskimo Supts. who did a most unusual job. I am very much encouraged with the ability of many of them to take a big job and be responsible for getting it done well.

Donna Petersen, a Wheaton College Student, arrived in Barrow to help with the mission work June 8th. She helped in the Nursery Dept. She also teaches a Sunday School class and is a big help to Barbara with the house work. She will be leaving August 19,th.

Scripture Press materials were used. Work on Bible School for this year began too late to order many sample materials and make a decision from them. The decision to use Scripture Press was based on a study Bill made in 1956 in which he narrowed the materials to two and used Gospel Light. We used Scr. Press instead because we get 40% off through the Fellowship Book store. An effort will be made to use our Presby. materials next year.

The size of VBS this year again impresses on us the great need for better Chr. Ed. facilities. I still feel that a new manse should be built as soon as possible so the old one could be used for Chr. Ed.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

By far the highlight of the month was the dedication of the Chapel In The Mountains at Anaktuvuk Pass. On August 26th. I took Samuel to the Pass and went on to Fairbanks to pick up The Rev. John Stokes and the Rev. Brian Cleworth. It was rainy and foggy the next day so we waited until Friday to make the trip from Fairbanks to Anaktuvuk. The weather at Fairbanks was still low but by going down the Tananna River and up the Yukon we got out from under it. The Weather was excellent up in the Pass. The service was held at 3:00 P.M. with Brian giving the dedicatory prayer and John bringing an excellent message concerning the use of the building and the meaning of worship. We only had about two hours on the ground and had to rush off trying to make Fairbanks that night. However, by the time we gased up at Bettles it was too late and we stayed there. Saturday we were in Fairbanks by 8:10 a.m.

Many of the men were out hunting but all of the women and children werethere. Samuel interpreted for the Dedication Service. Homer Mekiana gave the request for dedication. This service will long remain a highlight in the lives of the people of Anaktuvuk. I especially appreciated the time and effort given by Brian and John.

On Saturday evening after retutning to the Pass the Elders there felt it was time that offerings were taken in order to give the people an opportunity to support the work of the Lord among them. At the service later that evening I gave a message on Christian giving and outlined the plans for receiving the offerings and their use as they become part of the total offerings of the Barrow Church.

Earlier in the month I took Barbara, Sara Lyhn, and Donna Petersen to Wainwright to visit Roy and the Websters of Wycliff Bible Translators. Roy andI discussed the Spiritual Emphasis Weeks which will be held at Barrow and Wainwright. Roy will come here and Samuel will go there the first week of November.

Donna Petersen from Wheaton College continued to be of great service with the house work until her departure August 17th. She gave the walls and ceiling of the manse kitchen two coats of yellow paint. She also gave the wood work one coat of Gray.

The North Star arrived early in the afternoon of August 30, a Sunday. Samuel and I returned to Barrow later that same afternoon after holding another service at Tuluguk lake twenty miles from the main village where Elijah Kakinya and Simon Paneak live with their families.

During the month of August Fred completed the new board walks which George had begun the summer before. The old walk was used to make a walk from the northeast corner of the new sanctuary, to the back of the manse and the front of the Igloo. Samuel said,"We haven't had such good walks here in ten years."

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The Chambers family became four on September 9th. with the Birth of Ann Louise. She immediately won a place in our hearts and is a very welcome addition to the family circle.

With the arrival of Ann The Arctic Herald, our communication with interested people, was completed and mailed. A copy is enclosed.

At the Session meeting of September we discussed several items in relation to the coming year's giving. It was decided that the Utkeogvik Presbyterian Church would begin the "Every Member" plan for subscribing to Presbyterian Life. The Elders and Trustees both discussed the plan and after seeing some samples felt it was worth \$1.25, even to the homes where little English is read. The officers at Barter Island also discussed and approved the plan.

In an effort to keep in touch with the young people who are away at school in Wrangell, Mt. Edgecomb, and Sheldon Jackson, I sent a copy of MY WILL - Thy Will. I also enclosed a copy of a mimeographed letter encouraging them to write to me. So far I have heard from three of them. They appreciate very much this help with their Christian Lives and this contact with the folks back home.

I met with the officers of the Women's Association including the circle leaders to discuss the materials prepared by our church. They have decided to study select portions of the Monthly meeting materials and to use the Bible study guide for circle meetings. Instead of including the mission study we suggested that an article ~~off~~ from Concern be translated at each circle meeting. We have run into the old problem of language. Even the women with the best knowledge of English have trouble with these materials. It seems that if there is a bigger word to use or a more fancy way to say something that is the way the materials are written rather than using small words and simple sentences. This may be all right for the rest of the church. I hope it does not discourage our women before they really give these materials a try.

The floats were taken off of the mission plane September 3rd. Since we had not yet received permission to use the Barriw Air field the plane was kept tied on the beach. I had planned to visit each DEN Line site to encourage the eskimos and leave a copy of Today with them. However, with Ann being three weeks late and the plane on the beach instead of the field this trip was postponed until March.

Four pews arrived on the North Star and we had several work days to assemble them. We also received 100 adult folding chairs. This provides adequate seating for all the services. We also received 75 small chairs for children (not folding as ordered). With these we just barely have enough seating for the whole Sunday School. Before many had to sit on the floor or on chairs too high for them making teaching very difficult.

With more teachers and smaller classes in Sunday School there are now seven classes in the Sanctuary and six in Marsh-Spense hall the first session. With all the noise I donot see

THE UNITED PRESBYTERIAN CHURCH IN THE UNITED STATES OF AMERICA

"Pray that God will open to us a door of utterance to speak the mystery of Christ"

"General Prayer Has Its Place But Specific Prayer Has Its Power"

MR. FRED HAUMAN:

NEW THEOLOGICAL INTERN

The middle of June Mr. Hauman arrived in Barrow to replace George Johnson who went to southeastern Alaska the middle of May. Fred comes from Delta, Utah, and has one more term to complete his theological studies at DuBuque Seminary. He helped with Bible school here and at Barter Island. Until he returned to school last week he helped with the maintenance work and fellowship programs of the church. He will return in February to complete his term of service.

Fred has made a distinct spiritual contribution to the program. He also has an A/E airplane mechanic's license and services the mission plane.

Pray for his travels to and from seminary and for his teaching and maintenance duties at Barrow.

370 ENROLLED IN BIBLE SCHOOL AT BARROW

June 15-26 three hundred and seventy children from the ages of 6 to 14 years gathered at the church, the manse, Samuel's "Igloo", and a borrowed hospital tent for Bible School. The thirty-five Eskimo teachers and helpers did an excellent job in spite of the fact that all classes were twice the size they should have been. The evidence of your prayers was apparent in so many ways: the lack of confusion and the smoothness of the program, the almost "spell-bound" attention of the children as they drank in the flannelgraph Bible stories, the sunny weather, the faithfulness of the teachers, the consistent attendance of the children, their diligence at Bible memory and hand work. Only eternity will reveal the depth of the work of the Holy Spirit in many lives. I could sense His presence daily as I went from department to department.

We had five departments each meeting by itself for the whole daily schedule. Fred Hauman led the Jr. Hi dept. Samuel led the Junior dept. The three younger depts. were led by two Es - (Cont., Col. 1 on back)

ANOTHER CHAMBERS IN THE ARCTIC

Who: ANN LOUISE

Arrived: September 9 th. at 6:55 P.M.

Where: Barrow Hospital.

Weight: 7 pounds, 8 oz.

Height: 20 inches.

Remarks: Mother, Father and daughter are doing fine. Sister Sara hasn't figured out what is going on yet.

Pray especially that Sara Lynn will receive the new member of the family as a companion and not as an intruder.

MISS DONNA PETERSEN RETURNS TO COLLEGE

The students of Wheaton College sent Donna to Barrow to help with the mission work. We were especially glad to have her help in the busy summer. She taught in the Bible School and Sunday School, and helped with Presbykids. She also was of invaluable help to Barbara with the house work: caring for Sara Lynn, preparing for the Seminar Group and other visitors while Ann Louise was on the way.

Donna will be a Sophomore this year. Pray that as she shares her experiences with other students they will better understand missions work in general and be open to the Lord's call in their own lives.

CHAMBERS FAMILY HIGHLIGHTS

Sara Lynn is a cheerful sixteen month old with a very healthy, inquisitive attitude to ward life. She is holding her own glass to drink, putting an empty spoon into her mouth, running all over; and with a big smile saying "Hi!!!" to everyone who comes to the house.

All three of us plus Donna Petersen took a day off to visit some friends at Wainwright. Don and Thelma Webster are there working with the Rev. Roy Ahmaogak translating the New Testament into Inupiat. We had a beautiful flight down, and a delightful visit with Roy and the Websters.

ALASKA TRAVELING SEMINAR VISITS BARROW

Thirty Presbyterians under the leadership of Dr. J. Earl Jackman visited Barrow (Cont., Col. 2 on back)

COMING EVENTS: PLEASE PRAY ABOUT THEM

Sept. 17th.: Sunday School Teachers' Annual Dinner. Pray that more will respond to the call to teach.

Nov. 1 to 8th. Spiritual Emphasis Week: The Rev. Roy Ahmaogak, the Eskimo Pastor of the Presbyterian Church of Wainwright will be coming to Barrow. The dual purpose of these meetings is to have an evangelistic outreach among the 300 non-Christians of Barrow, and to revive and deepen the dedication to Christ of the 500 local members of the church. Pray especially for Roy as he brings the message each evening.

At the same time Samuel Simmonds, the lay preacher from Barrow, will lead a similar week of meetings at Wainwright. Pray also for him and the people of this village 100 miles down the coast.

MANY ESKIMOS WORK ON THE DEW LINE

The Radar sites of the DE W (Distant Early Warning) Line which are about 50 miles apart along the Arctic Coast employ two to ten eskimos at each one. Most of these men are gone from the village three to six months at a time. While they are out on the sites they are faced with the temptation of drinking liquor. Also, most of them leave their families at Barrow.

Both husbands and families need your prayers for grace to honour the Lord in this difficult situation.

THE SESSION - AS MARRIAGE COUNCIL RE-UNITES ESTRANGED COUPLE

In early June the wife of one of the DEW Line employees went to the local U.S. Commissioner to file for a divorce. Before he would accept the suit he required them to meet with the Session.

At that meeting the Elders talked with them about their forgiveness of sin in Christ and the need for forgiving each other. They also reminded them of the seriousness of marriage vows and the need of a Christian home for their two children. At that meeting the husband expressed (Cont., Col. 3 on back)

kimo ladies each. We were especially pleased with those who never led a department.

We thank you for standing behind this Bible School with your prayers.

35 ENROLLED IN BIBLE SCHOOL AT BARTER ISLAND JULY 13 - 24

Fred Hauman; Mary Ann Rexford, a Sheldon Jackson Junior College Junior; and another Eskimo lady divided the school into two depts. The younger group studied about Jesus, the Good Shepherd and the older ones about the Fruit of the Spirit. They were very eager and attentive pupils.

THE ARCTIC MESSENGER III HAS NEW ENGINE

The last week of May I flew the mission plane to Clay Center, Kansas, where a 170 h.p. Lycoming engine was installed in place of the Continental 145 h.p. one.

The new engine more than doubles the performance of the plane on floats at Anaktuvuk Pass. There the short lake and 2000 foot altitude forced taking off almost empty. Now with two passengers and a little baggage she gets off the lake without too much difficulty.

The new engine also increased the speed about 20 miles per hour.

We are very thankful for the new engine and the increased performance it gives.

BARTER ISLAND BEGINS PLANS FOR NEW CHAPEL

This summer a site was chosen for the construction of a new chapel at Barter Island. Presently they worship in a dingy "Jamesway" Quanset Hut. Also, the people have started a building fund to which 40% of their offerings go each week.
(Cont. bottom col. 2)

Cont. from Col. 2.

July 8 th. and 9th. They visited various Eskimo homes for tea in the afternoon. In the evening the Eskimo choir gave a Music Festival for them. This was followed by an informal reception. We would be glad to see you in Barrow on future Seminar tours or private visits.

SLIDES AND TAPE RECORDING AVAILABLE AFTER OCT. 1st.

The second set of 35 mm. slides and a tape recording describing the work of the North Arctic Slope Mission will be available after October 1st. Any churches or groups desiring to receive them please send requests to the Rev. John R. Chambers, Presbyterian Mission, Barrow, Alaska.

WEATHER REPORT

The highest temperature this summer was 64°. Most of the time temperatures have been between 35° and 55°. We have had fog about 1/2 of the time with low clouds most of the time during July and August.

We are now having temperatures of 25° at night and 30° - 40° during the day.

URGENT REQUEST FOR PRAYER

The preaching of the Word has lacked power the last few months. Since April only one person has responded to the invitation to come forward for the help of the Elders.

Please pray specifically that God will give new inspiration and vitality to the preaching ministry in Barrow.

We hope to have the necessary beach gravel fill completed this fall and begin construction next summer.

ed his willingness to forgive his wife and his desire to have her back in his home. She left the meeting still unforgiving. However, later that night the husband sought out his wife and she consented to going back to him. They have been living together ever since then and seem quite happy together again.

Thank you for your prayers on behalf of the Session. Continue to pray that God will use these men and women to provide the spiritual leadership the church and the village need.

ANAKTUVUK CHAPEL DEDICATED AUGUST 28

The new Chapel at Anaktuvuk Pass which was begun in May 1958 is nearly completed. The building was enclosed for use last fall but the floor and insulation of the inside walls and ceiling were not added until this summer.

We had planned to dedicate the chapel while Dr. Jackman was in Barrow with the seminar but it was too foggy here to make the flight.

The dedication service was held on August 28th. with the Rev. John Stokes, Moderator of Yukon Presbytery and pastor of the University Community Presbyterian Church, bringing the message. The Rev. Brian Cleworth, Pastor of the 1st. Presbyterian Church of Fairbanks and former assistant Secretary for Work in Alaska, gave the prayer of dedication. Samuel Simmonds was the interpreter.

Pray for the unity and Christian growth of the people at Barter Island. Recently there has been some divisions among them which hinders evangelism and Christian Fellowship

NARRATIVE SECTION OF REPORT

(Original and 3 carbons)

This is most important: It gives you a record of your work for your own review and evaluation; it tells us of your special problems or needs, your successes and gratifying experiences, your special meetings and activities; and it supplies the publicity department with news items for the Church.

In early September Rev. Kapner of the Assembly of God Church of Barrow visited Barter Island and caused considerable disturbance. Since his visit about 15 people have been meeting each evening at Fred Gordon's home and did not attend either of the services when I visited the island October 13 to 15. Kapner has encouraged them to plan for building their own chapel and to pray for an Assembly of God Missionary who might be able to live on the Island as soon as next September.

I had several conversations with Fred Gordon about the need for unity among the Christians on Barter seeking his cooperation so that at least when I visit he could forgo his services and encourage all to worship together. He thought I was trying to stop him from holding services ~~and~~ altogether. We parted friends.

I talked with two other men who are associated with the splinter group about the Scripture references to unity among Christians and the fact that God hates "those who cause discord among the brethren". They readily understood and have promised to continue their worship and service for the Lord with the Presbyterian Group as well as with the other.

I feel that with the help of these men our chapel building program will go forward and will be the means of bringing greater unity among the people there again.

I have made arrangements for Roy Ahmaogak to visit Barter Island November 9 to 11. He will travel both ways on the DEW Line planes. Since several of the people involved at Barter were originally from Wainwright I think this personal contact with him will be of great help.

Since the weather was bad I went to Barter Island on the DEW Line. On the return trip I spent two days at PCW 2 and help one service there. One of our Eskimo families has moved into a small house near PCW 2 because the husband works there. I had a very good evening with them. Most of their fellowship is through tape recordings from Barrow and Barter.

I visited Meade River October 31 on the way to Wainwright with Samuel. There are now four families living there. They have not been holding services since both elders now live in Barrow. We took a copy of Teaching The Word of Truth by Donald G. Barnhouse and asked them to use this as their weekly study guide. Samuel discussed the book with three of the people and they were quite enthusiastic about studying it. I also left a copy of Today for each family to use.

In Barrow the final plans were made for our Spiritual Emphasis Week November 1 to 8. The offerings taken at the meetings are to be divided evenly between Roy and the Barter Island Chapel Building fund.

The Trustees voted to ask the people for additional pledges for 1960 to raise an extra \$3000 during that year for the new manse at Barrow.

Early in October the weather was too bad for flying to the fall Presbytery meeting. Therefore on Wednesday of that week I took Nicon airline to Fairbanks to discuss the new manse with Dr. Jackman. The preliminary blueprints for the new manse at Fairbanks are ready. If you have confidential problems, write us separately and mark "personal". Construction should be ready by December 1.

NARRATIVE SECTION OF REPORT

(Original and 3 carbons)

This is most important: It gives you a record of your work for your own review and evaluation; it tells us of your special problems or needs, your successes and gratifying experiences, your special meetings and activities; and it supplies the publicity department with news items for the Church.

Spiritual Emphasis Week was a very rich blessing to the people of Barrow. Roy brought all of his messages in Inupiat and the response was excellent. There were 56 who responded to the invitations at the close of the services of which three were first time professions of faith in Christ. The others had spiritual problems they wanted to discuss with the elders. Many had been convicted of sins in their lives and came to rededicate themselves to Christ. Many others besides these coming forward also expressed their appreciation for these meetings. Roy made 41 calls in the village during the week usually with an Elder. The Elders served as personal workers. This year I also talked briefly with each one who came forward and had prayer with them. The offerings were divided between Roy and the Barter Island Chapel Building Fund. They came to \$300.68. Twenty of this went to the Janitor and \$140.34 to each of the above.

Two things have been added to the church program as a result of these meetings: Many again came forward because of a drinking problem. Since these meetings I have met each Friday evening with those seeking help in overcoming this temptation. Only three or four have been there any one Friday but twelve or more have attended at least once. We are learning Scripture verses that tell how to overcome temptation and praying together. It has been of great help to those who come.

The other addition to the program is the listing of Daily Scripture readings in the bulletin. Many expressed a need for help in spiritual growth. I felt this was a good way to remind them each Sunday during announcements that they need to read their Bibles and have private prayer daily. They continue to use The Upper Room for family worship. Some are also using Today.

In November I started a series of studies on CHILD DISCIPLINE AND TRAINING at the Geneva Fellowship meetings. At the first one we considered a definition of Christian Child Discipline and the need for it among Barrow Children. The second week we considered methods of applying this discipline. Since the problem is aggravated by the large number of children in the Eskimo families the third week I had Dr. W. J. Walter, the M.D. at the govt. hospital and a Methodist licensed lay preacher, speak to them about the conception, growth and birth of a child including some information on family planning. He did an excellent job and offered his help to particular couples desiring to plan their families. The final meeting to be held in Dec. will be led by the local dentist discussing an important area of child training and discipline in Teeth Care.

Roy Ahmaogak visited Barter Island the second week of November. He was a big help in strengthening our loyal Presbyterian people. I was disappointed that he did not seek out Simon Tagarook and discuss his fixation on Last Things. Simon avoided him. It seems now that there will be two groups continuing on Barter - 15 Assembly folks and 60 Presbyterians.

NARRATIVE SECTION OF REPORT

(Original and 3 carbons)

This is most important: It gives you a record of your work for your own review and evaluation; it tells us of your special problems or needs, your successes and gratifying experiences, your special meetings and activities; and it supplies the publicity department with news items for the Church.

Preparation for and celebration of Christ's birth day took considerable time this month. The youth choir provided the special music to be used with the film strip "The Blessings of the Christchild. This is an excellent rendition of the Christmas story done by Concordia Press. The main program for Christmas Eve was given by the Adult Choir and the Fortyniners. I wrote the few speaking lines used and Samuel translated them. It included eight scenes: Angel to Mary, Angel to Sleeping Joseph, Arrival at the Inn, Wisemen meeting in the East, Wisemen at Herod's Court (Herod's part was the highlight of the program), Shepherds visit the manger, Wisemen visit Christ in a home at Bethlehem. The Choir did an outstanding job with seven special numbers, a quartet no. and a solo.

Pledges were received at the evening service December 6th. The following week calling cards were made out for the remainder of the members who were called on by the officers of the church. Total pledges toward current receipts and benevolences amounted to \$11,095.76 which is about \$2,000 less than last year. However, separate building fund pledges toward the new manse beyond the above figure amounted to \$4,353.80. This brought an increase of about \$2,000 total pledges over last year. I feel this represents a great advance in stewardship because since September of last year employment has been the lowest it has been since the Navy arrived in 1945. The loose offerings for 1959 were about \$2,000. If employment picks up above normal next summer this amount for 1960 for loose offerings could be doubled.

Because of the low employment since September our weekly offerings have been about \$50.00 below average each week. Because of this the total amount sent in as field receipts will only total \$5,225 rather than the \$6,000 which was pledged at the beginning of the year.

In December I had Samuel bring the entire evening message one Sunday. We discussed the message together and then he gave it along with a chalk drawing on paper. We felt this would make better use of the message time in the service for more thorough teaching. Since many people in prayer meeting have been saying that they are now saved for the first time and they are now going to try to keep ~~x~~ saved by clean living Samuel's message was directed toward correcting these false ideas concerning faith and works. His message was very effective with seven responding to the invitation to come forward. Once each month from now on I will have him give the whole message at the evening service. He is an especially gifted speaker in his own language and should have more opportunity to use this gift.

We had several work days putting down the flooring in the middle room and painting the walls and ceiling the first coat. I have ordered paint for the final coat and linoleum for the floor with money from the mission box clothing sold recently. We should have this last room of the church building completely finished in another month.

If you have confidential problems, write us separately and mark "personal."

Out of others who came to me for advise and help in their christian life, I wish to report a couple who seek help at the very first day of the new year. The message our Paster gave at the new years eve was the cause of this couples resolution which entitled "Redeeming the time!" This couple came to me asking for service in the Lords work. They claim that they have not been active in any such work, therefore causing them to even miss many church services, and fall into temptations. We talked a long while and prayed before I offered them the work in sunday school teaching, which they are now continueing faithfully.

The adult communicant class that I teach for last two month join our church on the first sunday of the new year.

Rev, John Chambers and I make special calls to held communion with two persons who were not able to attend services.

The other necessary work around mission are carried on as usual.

Made nineteen friendly calls this month alone, plus twelve calls with our pastor. Most of my calls were mainly to visit our members and to have a friendly chat with them; and with our pastor, I accompanied him when he make calls to those he missed last fall.

I also had about thirteen callers this month, who came to me for advice concerning thier life as christians. Most of these callers are the ones who have been going to the other church,(Assembly of God) these came to me with a feeling that they have deserted their church as a Presbyterian; and therefore wants to be more firm in this church. These members of ours were in a state of which church they were to serve, because of the confusion they were in, beleiving our churches are the same, Presbyterian and the Assemblies. As I talk with them I would give them a little illustration concerning these two churches,which they attend to with interest: Suppose you had a wife or a husband and had promised to love and support her. But after a while you get bored (while her or his love was great toward you) and decided to go along with another lever, and even giving your support to this new lever. How would the person you married to feel, when he or she finds out that you have been unfaithful. Of course he or she would have been heart-broken, but if his or her love was as true as the time you got married he or she would have really wanted your love back. After this little illustration I would tell them this; That is the way we as a church feels for you as a member, we need you and you need us, like a happy married couple who loved and help each other.

My other work such as maintenance is still the same including carpentry, and painting jobs in the church.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Most of first two weeks of the month I stayed at Anaktuvak Pass preaching and teaching the word of God. Finding that the people were not in one place at this time of the year, I hired a dog team to visit the other camps, of which I made about seventy miles round trip with my guide. Once again it was encouraging to see the happy faces of these people as they express their appreciation for my coming bringing the Word once more. Few days before my homeward trip five young men and women made known their willingness to join the church, and I counseled with these individually concerning their faith and their future duty as members, of which they all made known and express their faith in Christ. Due to break down of our Pastors airplane and unable to reach Anaktuvak, these did not join at this time.

After my stay at Anaktuvak Pass, I made twelve home visitations here, the purpose of the calling was to those whom I feel needs encouragements in their christian life.

At the close of this month I made home visitations with our Pastor for the preparations of infant baptism.

There also have been some various counseling I had to make when ever individuals came to me for help as to their spiritual needs, and often confess the causes which give them trouble, as they confess such sins in their lives to me I would make it plain to them, unless they learn to confess these to God in prayer by faith they will never be forgiven. These often went out with happy expression in their faces, after our talks and prayers together. Five such persons came to me this month for spiritual advise.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The communicant class (adults) was opened and ended this month under my leadership of which the attendance runs up to thirteen, and the majority of this number joined in the last Sunday of the month, the few who were out of town temporarily were to join latter.

Last week of the month Rev. John Chambers took me along to Barter Island. And just a day before his departure he received a message from them to bring me along, it was a surprise to me because I was not planning to or asked to go. This is my first trip to Barter Island and I enjoyed my stay there even though a number of them were held down by flu.

While Rev. John Chambers was at Presbytery meeting I conducted the funeral service of our oldest church Elder George Leavitt who passed away at Anchorage hospital, and went to be with the Lord. It was an honor to me to conduct this service of our beloved Elder. I could see others also expressing their love to George, for many attended this service. Also in addition to my usual morning inupiat services I conducted the evening service on the 19th of this month while our Pastor was at Presbytery.

The month of May is past again as though it was the shortest, I think because of much activities going on in Barrow such as whaling, hunting, working, and so on, as well as our own activities on mission work.

I missed George Johason personally as he left us to serve in the other mission feild of Alaska. On the last week of the month Rev. John Chambers also left for Kansas to replace the engine on the mission plane, hoping to be back on the first part of June. I am now alone to carry on the work here. (but not alone spiritually because God's promise is true) Last sunday of the month Chaplain Maurer of the dewline preached in our morning services, and hoped to do the same on the first sunday of June.

My part in calling and hospital visitation is carried on as usual, and some other necessary work in mission such as carpentry work, maintenance, and other.

NARRATIVE SECTION OF REPORT

(Original and 3 carbons)

This is most important: It gives you a record of your work for your own review and evaluation; it tells us of your special problems or needs, your successes and gratifying experiences, your special meetings and activities; and it supplies the publicity department with news items for the Church.

My first week was quite scattered doing little of this and that while Rev. John Chambers was still delaying his trip home from Kansas. I again take the leadership of Sunday services, with the help of Chaplain Paul Maurer, who preach for us in the morning service.

My second week was spent mostly with bible school teachers preparing each afternoon for the coming bible school. In my spare time I make tables and benches for the younger department for use in bible school and future use. I also make calls encouraging teachers for this school, and also some of my calls were in answer to the request from those who needed my help and advise.

For the last two weeks I was actively engaged in teaching and supervising the largest department in our bible school, (juniors) numbering to over a hundred at each time, (this year the average attendance of our Bible school runs to about 325 each day from ages 5 to 14) in spite of room shortages every one was happy, and the closing program was one of the best we have had.

For two week of Bible school Nursery Department meets at our igloo, and Beginner Department meet at Marsh-Spence Hall, Primary Department in a big Tent we borrowed from Arctic Research Lab., Junior Department in the main Sactuary, and finally Junior Hi. Department in the Manse.

First part of July my working time was spent mostly in cleaning the yard around mission property with volunteer help from church members and children.

Also at this time I continued my visitations to shut ins, and make more calls to a number of our sunday school teachers, who were to have a responsibility in leading teachers discussion during my absence.

From the thirteenth of this month on to the fifth of August I spent the time out camping with my family. There were other families with us, and I continued with the sunday school and worship each sunday.

Fifth of August I return home with my family after our vacation since the thirteenth of July, we enjoyed our few weeks out of Barrow and hope to do the same next summer.

Made nineteen calls on homes this month with whom I talk and prayed with before leaving each home.

Between my time of study, I continued with other work which also needs to be done, repairs on property, graveling, water haul, etc.

September, the preparation month for the coming winter is again past; annual order which was unloaded by the ship North Star already stored away.

Later part of the previous month I went to Anaktuvak Pass by Rev. John Chambers to participate in the dedication of the Chapel, of which three ministers were present, Rev. Brian Cleworth, Rev. John Stokes, Rev. John Chambers, and myself.

Make ten calls on homes in the last two weeks of the month, the purpose of my calling, to pray with and encourage our fellow church members. I also council with four persons who came to me for advise and help from their troubles; one of these do not wish to drink liquor, but could not resist when it is offered to her, I had a long talk with her of which she listen with interest, we prayed that God would strengthen her in times of temptation.

Young married woman after she came forward in one of our services told me as she wept, that she now realizes that she had been the cause of their marriage separation which lasted more than six month. She ask me for help and wanted me to speak and invite her husband and his parents to her home . Thank God they now started a new married life.

During the first two weeks of this month I made seven home visitations, with three more calls in the last week. And on one of these calls I had a long talk with married couple who were both having a problem of drinking. I also found out that they accuse each other of unfaithfulness, which both party denies, anyway that seems to be their main reason in their troubles. After much counseling along that line of married life I prayed with them. And they both thank me for coming and talk with them concerning their troubles. From then on they faithfully attend church. But only week ~~week~~ and a half after this, an accidental shot from her neighbors house and into her house wounded her, and she died shortly after. Before she died she gave comforting words to her husband, and assuring him that she was ready.

Ice cutting which is usually done in this month was done already, and we now have enough supply for this winter.

I notice that more and more people are now attending 10:A.M. all inupiat service every Sunday mornings. This inupiat service was started with my leadership (for the benefit of those who could not understand english sermons) few years ago. And now even though I do not give any special invitations to attend this early morning service it is still increasing in number of attendance, and the majority of them remain until the 11:A.M. english worship service concluded.

For the first week of November I was the dayly special speaker at Wainwright during the spiritual emphasis week. My wife went along with me, and we spent another week there due to bad weather. We get to know a lot of christian folk there, whom we had not known before as we make our calls.

Six persons came forward during this week's messages, and most of them in reaffirmation of faith, and rededication.

After my return from Wainwright, I was invited by couple who were experiancing the unhappy results of unfaithfulness from one party. After we talked and pray their attitude toward each other cha nge for the better. After this, the guilty party from this couple and from the other couple met with the session of our church. All members of this two couple have express their appreciation for my speaking with them when this was first exposed.

Started a new adult communicant class this month, which was to be ended in December, these classes are held once a week.

This month my responsibility includes, leading the Fourty Niner group in their preparations and practises for Christmas program, which turns out to be a very good program. Also in addition to my Sunday morning services, I started all inupiat messages in one evening of each month; in this months message I preach with the aid of my chalk talk. (the attention was wonderful, especially to my poor drawings) At the close of this service I did not give invitations, but there were about thirteen people who came forward that night.

Other than the Church services I council with seven people who came to me during week ends for help in their spiritual lives.

Again I have been re-elected as a councilman for the incorporated town of Barrow.

The beginning of a new year is always a good time to plan ahead for coming events of the year. It is also a good time to take stock of what has happened in the past year and try to evaluate what has been done. It is good to note that there has been no falling off of attendance even though we are going through a period without a regular pastor. This is encouraging due to the fact that we have lost so many in our regular morning worship service. The Eskimo people are faithful people and most of them take their Christian responsibilities very seriously.

At the annual meeting of the Presbyterian church Rex Ahvakana was elected to the office of Ruling Elder to represent the Eskimo people. He was ordained and is now serving on the Session. He replaced Kavak Riley whose term was up. Rex has already proven himself to be worthy of the confidence we have in him. He made a very fine talk to the people in our Eskimo Service, thanking them for their faith in them and asking for their continued support and prayers as he does his best to lead them in the ways of Jesus Christ our Saviour. Mr. Riley also made a fine talk as he turned his office over to Rex. He charged the people to help and pray for Rex and to follow him as long as he follows Jesus Christ.

The members of the Sheldon Jackson basket ball team spoke to the Eskimo's on January 25. They told of their School and what it means to have the opportunity to attend a Christian school. They are to be commended on their good work while on this tour.

We are off and running early this year and pray that the Lord will bless this ministry and that it may grow in relation to our faith in Him.

(Original and 3 carbons)

The Month of February was notable because of the many cases of influenza that had people in bed or confined to their homes. This seems to have passed now and things are back on a more even keel. One of our best Eskimo families Had a very sad experience in learning that the father of the family had an in-cureable case of stomach cancer. It was explained by the Doctor that it was so bad that it could not be operated on. Since that time and after much prayer by all the Eskimo people and whites alike that operation has been preformed and he is getting better. The Doctor warns that this recovery may be temporary.

Several of our people who were out of work have found jobs and the unemployment situation is somewhat alleviated. The weather during February was quite mild and helped a lot with the fuel problem.

We praise the Lord that a spirit of fellowship and brotherly love prevails throughout our Eskimo People. If it was not for the help that each gives to the other, things would be pretty tough.

It was a good month in spite of the draw backs. We look forward to March with anticipation and a feeling that there are greater things to come.

I really believe there is nothing that gives me such a thrill as the response that is received when we call for prayer in our midweek meetings. There is no hesitation at all. They just start right in praying and do not stop until a goodly number have prayed. I cannot help but contrast our meetings with those of the white group that meet at the same time in another part of the church. In that group as a general rule only the leader prays. What a difference in the fellowship. I thank the Lord that the Eskimo people are a participating group rather than just spectators.

March is the month of dog sled racing and as quite a few of the Eskimo's are very much intrested in these races, we do notice a lag in the attendance. I do notice though, that those who attend the races also attend the evening service of worship if they have missed our afternoon service.

As I work with the Eskimo's I learn more and more about their ways an discover how deep their love really goes. They have a passive expression that in no way reveals true feelings. It is a pleasure to work with them.

We were privileged on April 5 to hold the evening service in our church with the Eskimo's singing as a choir and the girls from Hospitality House furnishing some special music. We were asked by the people to have evening Service once a month with lots of singing as we used to have. I really wonder if all our pastors realize how much the song service means to most people. I always feel that a good Hymn Sing really prepares the heart for worship.

Monday 13 we had a memorial service in memory of Eskimo Elder George Levett from Barrow who had died in the Hospital in Anchorage. Two of His daughters live in Fairbanks and were unable to go to the funeral.

April was again a big month for me as it was my privilege to attend the meeting of Yukon Presbytery in Anchorage. These meetings are always very interesting and a ~~XXXXX~~ means to help toward a great Spiritual uplift. The Spirit of fellowship in these meetings is wonderful.

This was a busy month but a wonderful month with almost more going on than could be taken care of but we thank God that we are given the chance to do what we can in our work here and pray that through our efforts some may come to know our Lord in a more personally way. May His will be done.

The Eskimo's undertook to paint Young Memorial Hall in our church this month. It is a very high ceiling and quite an undertaking but several turned out to the work party and much was accomplished. Two work parties later we saw the finished product and the result was indeed worth the effort. The women of the village furnished lunch (sandwiches and coffee) which was much appreciated.

It was a good month and ~~once~~ again I must say that it is good to be in the service of our Lord.

32.

June was a month of sorrow and a month of Joy. One of our most loved Eskimo families lost the head of their household in death June 10, 1959. Clarence E. Ahnupkana, a member of our Church and a very fine Christian, lost his life from cancer after a short illness. On June 7, 1959 as he lay close to death in the Hospital, with many of his friends around him, he used almost the last of his strength to witness for his Lord Jesus Christ. He encouraged everyone to draw close to the Lord and not to grow tired in following after Him. To those who were following the Lord he incouraged them not to be weary in well doing, but rather to continually witness for the Lord and to lead others in the path of His rithteousness. To those who had fallen away he urged that they might rededicate their lives to Christ. He prayed that they might come to know the Lord even as he knew Him. There was a handclasp and a few words concerning their friendship for every one there. Clarence finished his talking with these words: "Wheather I live or Die, it is the Lords will and I am ready." I could not help but think of the Apostle Paul and how he said, "For ~~he~~ ~~me~~ to live is Christ, and to die is gain."

The Funeral of Clarence was well attended by all with whom he had come in contact, Eskimo and white alike. He had become a respected man in the community.

On June 14 we had a picnic and our worship service at Harding Lake Camp. It was well attended and everyone had a good time. There was swimming, games, and fun for all. All expressed a desire to have another Picnic of a like nature soon.

It was a blessing indeed when Brian Cleworth arrived to serve as pastor of our Church. It was nice to have him attend our Eskimo service and introduce him to the Eskimo people. We ask God's Blessing upon him and his family as they start this new ministry.

I took a short vacation from July 15 to 21 and the family and I went up the Chena river on a fishing and camping trip. The weather was in our favor and we had a good time catching lots of fish. Also it was a relaxing time which was welcomed by mother and dad.

We have started a combined prayer group instead of seperate ones. Brian and I are both a bit concerned as the last two meetings there were no Eskimo's at all. They really do enjoy their own meetings and I think they may have to be started again soon.

Our worship and Sunday school attendence is holding up much better this summer than it did last. I do look for a slump during hunting season though. Winter meat means a lot to the Eskimo's and they must not ~~be~~ be blamed for making every effort to get what the Lord has provided for them.

INSTRUCTIONS

This space for Headquarters use.

August always marks the beginning of hunting season and as usual it also marks the dropping off of attendance at our Sunday School and Worship Service. There are already reports coming in and from all indications the hunt should be very successful.

Billy Tegoseak has been accepted as a high school freshman at Sheldon Jackson and will be going away from home for the first time. He is very excited about it and is looking forward to this experience with lots of enthusiasm. Also Tommy Arvakana is entering as a high school freshman. Tommy is the son of Rex, our Eskimo Elder. We are all looking forward and expecting great things from these two fine young men.

Meeting

Our combined prayer is very noticeable by its absence of Eskimo's. As soon as hunting season is over we plan to again separate the two groups in hopes that an increase will be shown.

The wild berry season and lots of our Eskimo people are out gathering berries. Some of them go into the bush country with their tents and do not come back until they have enough berries for the winter season.

To lead these people in the way of the Lord is really a great privilege. I only hope and pray that what we teach and what we do will always be pleasing in the sight of the Lord.

INSTRUCTIONS

Several of our Eskimo families have left Fairbanks for their old homes. It certainly makes a big difference in our services. We are in hopes that we can gain some new ones soon to fill the gap left by those who have left.

The hunting season was quite successful and almost everyone has some meat to start into the cold weather with. Moose season is over now and only Caribou and birds are in season. Some of the Eskimo's are still hunting but the big portion of the people are through for the season.

It has been noticed that some of the Pentecostal groups are working very hard on our Eskimo's. They have not been very successful in getting them to change their place of worship, but they have been successful in confusing some of them. The Eskimo's are not as far removed from their old customs as we ~~sometimes~~ some times think they are. We have to keep reminding ourselves that there is only one short generation between them and many of the old superstitions and beliefs. The emotional practices in many of the Pentecostal services have a tendency to upset and confuse the thinking of our Eskimo's. Pray with me that the Lord will instruct them through the Holy Spirit and that with our help and guidance they may continue to grow in their faith, and to so follow the Lord that they may have no occasion for stumbling. Amen.

INSTRUCTIONS

Dr. J. Earl Jackman's visit to our parish and the wonderful training we received in Evangelism is indeed the high point of this months activities. It was good too to meet Rev. William M. Pritchard Jr. who has taken over the post of Ass't. Sec. that was left vacant when Rev. Brian Cleworth accepted a call to First Church Fairbanks.

We have again started our Eskimo prayer meetings. The first meeting was held on Oct. 14 and was attended by only four. The next two meetings were better attended however and we look for growth in this department.

It has been decided again that we will annual Christmas Pagent. This year it will be given to the public again and will be shown in the main sanctuary of our church. It will be at 7:30 on December 20--the Sunday before Christmas. This always acts as a stimulant to our Eskimo members and our accomplishments are greater because of it.

The death caused by an accidental discharge of a rifle, in Barrow, was a cause of much sorrow and grief. The Eskimo people are so intermarried that when something happens to one it is a cause of concern for all. Many left here to attend the funeral services in Barrow.

We need to pray with out ceasing for our Eskimo young people. We have one or two of them in jail all the time for one thing or another. We still have the high rate of unwed mothers that we have had for some time. I do not know what else to do except to pray and look to the Lord for guidance. With His help, maybe some day we will be able to do something to help them.

November was a month of many meetings. Congregational meeting, Session meeting, and all the meetings connected with our every member canvass. I sometimes think we do too much meeting and not enough ministering.

Although our prayer meeting of the 12th was only attended by two, yet the others were much better and I look forward with anticipation and to each prayer meeting because they are such a fine spirit of fellowship and study. The Eskimo people really do lots of praying;

After Thanksgiving We started our practice for the Eskimo Christmas Pageant. The Eskimo's really love to do this and it is a pleasure for me to direct them in it. They strive so hard to live the part they are playing. Or should I say they try hard to make the part live again.

We are making preperations for a Christmas party and if every thing goes as planned it will really be a busy month in December.

Will you please pray with ~~me~~ for a moral uplift in the lives of our native people. They have so much to learn and to understand. May The Lord give them knowledge of a better way of life.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

December was indeed a full month. Every move was pointed toward our Christmas activities. All the practice sessions for the Christmas Pageant were well attended and cooperation was good. The Children worked hard for their Sunday school program.

We held an Eskimo party for children and grown ups alike on Friday the 18th. in Fellowship hall. About 85 were there and every one enjoyed themselves completely. There were candy and nuts plus an apple for every one.

On Sunday Evening of the 20th. we held our annual Sunday Church school program and Eskimo Christmas Pageant. There was present the largest crowd we have had to one of our programs. Of course we were all thrilled when every thing went off smoothly.

On Monday Evening Dec. 21 we were all up in the studio of T.V. Station KTVF to put our pageant on the air with a live broadcast.

It was a grand month. We all had a good time but were glad of the chance to relax when it was all over.

So far this year the Eskimo's have been in better shape ~~financially~~ financially than any time since I have been close to them. They all seem to have some kind of income, even though small, to carry them through the winter. I only hope it may continue.

I thank the Lord for the fine help we have in our Eskimo program here.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)
Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The NUCYG group at the University is following the same pattern as in past years. The group made up mostly of freshman always seems to run out of gas after Xmas and the beginning of the spring semester. Trying to operate an interdenom. group seems to me to be more susceptible to this than a group with strong denominational ties. We are still meeting but the attendance is radically different than earlier in the fall. Other organizations (non-relig) are having the same problems so I do not feel too disturbed by this.

The congregational meeting on Jan. 11 was very well attended. I think the vacancy of First Church has been a good stimulus to some people here to get their shoulder a little more firmly behind the wheel—they have not been bashful about expressing their fears that I would leave.

On Jan 18 we had the first of two sessions of COT. This was to be in two sessions of an afternoon each. After this first afternoon by common request and consent the next meeting on Feb 1 was voted to be an extended afternoon and evening session. Very interesting and profitable and most thrilling of all was the 100% attendance at all meetings.

Isobel Miller arrived on Jan ?. I had several meetings with her discussing the affairs of Hospitality House.

The big event of the month was the very successful visit of the SJJC basketball team the latter part of the month. It took a great deal of time making certain they got where they were supposed to be.

Another visitor was Mary Louis Allen of the Crittendon Homes. I took her out to one of the families who takes part in the 6 Mile program for a dog sled ride which thrilled her.

This month has come and gone so quickly it is difficult to believe.

The highlights in the life of the church this month was the beginning of the communicant classes for young people and for adults, two work parties to make Sunday School benches and the Family night dinner at which Clifford Earle spoke.

The Hospitality Board meeting was a dinner meeting at the Hospitality House. Budget and personall needs were drawn up to be submitted to the BNM.

The big event of the month was the birth of John Frederick Stokes on February 27.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The highpoint of the month was Holy week and the special services.

I am president of the ministerial Association this year and was responsible for showing the film "The King of Kings" at the local theater. Packed the house 5 times in 3 evenings and took in over \$700.00 during the evening showings Holy Week.

Communicant classes for young people and adults were started in February and reached their fulfillment in March. We received 2 young people and 12 adults into the Church on Maundy Thursday preceding the Communion Service. Four of these received baptism, one of them a woman of 72 years. On the Palm Sunday preceding I baptized 8 children.

On Good Friday evening two elders and I conducted a communion service at 6 Mile. There I baptized 4 adults and 6 children and then we served....most of them receiving communion for the first time.

On Palm Sunday afternoon the Ministerial Association sponsored a massed choir program at the Main School auditorium. We had a few more than 200 voices on the stage including the church choirs in town, the highschool choir and the University Choir. We plan now to do the Christmas portion of the Messiah and have it televised.

KING OF KINGS

This epic film on the life of Christ is being shown at the Lacey Street Theater at 7:30 PM on Tuesday, Wednesday and Thursday of this Holy Week. Everyone is invited to attend this film sponsored by the Fairbanks Ministerial Association.

JESUS CHRIST THE LORD

APR 27 1959

All glory, laud, and honor to Thee, Redeemer, King,
To whom the lips of children made sweet hosannas ring.
Thou art the King of Israel, Thou David's royal son,
Who in the Lord's Name comest, the King and Blessed one.
All Glory, laud, and honor to Thee, Redeemer, King,
To whom the lips of children made sweet hosannas ring.

The company of angels are praising Thee on high,
And mortal men, and all things created, make reply.
(Refrain)

Thou didst accept their praises; accept the prayers we bring,
Who in all good delightest, Thou good and gracious King.
(Refrain) Amen.

BENEATH THE CROSS OF JESUS

Beneath the cross of Jesus I fain would take my stand--
The shadow of a mighty Rock within a weary land;
A home within the wilderness, a rest upon the way,
From the burning of the noon-tide heat, and the burden of the day.

Upon the cross of Jesus mine eye at times can see
The very dying form of One who suffered there for me:
And from my stricken heart with tears two wonders I confess--
The wonders of redeeming love and my unworthiness.

I take, O cross, thy shadow for my abiding place;
I ask no other sunshine than the sunshine of His face;
Content to let the world go by, to know no gain nor loss:
My sinful self my only shame, my glory all, the cross. Amen.

O SACRED HEAD NOW WOUNDED

O sacred Head, now wounded, with grief and shame weighed down;
Now scornfully surrounded with thorns, thine only crown;
O sacred Head, what glory, what bliss till now was Thine!
Yet, though despised and gory, I joy to call Thee mine.

What Thou, my Lord, has suffered was all for sinners' gain:
Mine, mine was the transgression, but thine the deadly pain.
Lo, here I fall, my Saviour! 'Tis I deserve Thy place;
Look on me with Thy favor, Vouchsafe to me Thy grace.

What language shall I borrow to thank Thee, dearest Friend,
For this Thy dying sorrow, Thy pity without end?
O make me Thine forever; and should I fainting be,
Lord, let me never, never outlive my love to Thee. Amen.

CHRIST THE LORD IS RISEN TODAY

- (1) Christ the Lord is risen today, Alleluia!
Our triumphant holy day, Alleluia!
Who did once upon the cross, Alleluia!
Suffer to redeem our loss, Alleluia!
- (2) Sing we to our God above, Alleluia!
Praise eternal as His Love, Alleluia!
Praise Him, all ye heavenly host, Alleluia!
Father, Son and Holy Ghost, Alleluia!

Amen.

April was still a month of winter weather and some record lows for the month were recorded.

The big event of the month was presbytery which met in Anchorage and took the full week of April 13-20.

We had a good and profitable 2 days with Jim Park Lee April 3 & 4. Another profitable 2 days were spent with Dr. Sachman & Dr. Litch April 6 & 7 and the Hospitality House was dedicated while they were here.

On April 10 I took part in the Chaplains retreat at Ladd HFB.

On Sunday evening 4/12 I started the Communicant Classes for the people at 6 Mile intending to receive them as members of the College Church until the Church at 6 Mile is organized.

This month 4/9 I had the funeral for Max Douglass, one of our members and a former trustee. The first member's funeral in the hist. of the Congreg.

May was a trying month in many ways. On May 4 I fell from the back bumper of the car and broke my right arm just above the elbow. This was a great nuisance for May was busy. Since Dr. Cavie of Health was to be baccalaureate speaker at the Univ. of Minn. we too were invited to the Regents Dinner at Pres. Patten's. On May 17, Armed Forces Sunday, I preached in the Saxe Chapel at Ladd + Ch. Tagg (AF) preached in College. Monday 5/18 was commencement.

May 23 I left for Barnes to take part in the joint Committee on Synod relations + the Leadership Training School. While there receiving word my father was dying and rushed to Cleveland and did not return to College until June 5. Victor Urban preached on May 24 and John Bartholomew on May 31.

Attendance has been quite good during July both in church and sunday school. During July I preached on Social Issues and found a better response than I had had for some time.

Our Women's Association did a wonderfully job with the wild game dinner for the Seminar on July 6. It was one of the greatest experiences of my life to visit Barrow, Nome and Kotzebue with the Seminar.

This has been a month of visitors and tourists. The Westminster Fellowship Group from Fort Lauderdale spent a week end with us.

I spent one day per week at Harding Lake Camp working with Bert and Ken on the facilities and the Camp is in better condition than ever before.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Because of the emergency leave to go home at the death of my father I did not return to the field until June 6.

The following week was spent getting caught up and prepared for camp the week of the 15th followed immediately by VCS for two weeks beginning the 22nd.

Our Jr. Camp at Harding Lake was very successful. We had 38 campers and 6 adult staff. With the exception of two women all were ministers in the Presby. (Heckel, Munro, Bartholomew and myself)

The VCS here had an average attendance of 97. We did not advertise much because we seemed to have more than usual difficulty recruiting teachers. This is the second time we have used this part of the 3 year cycle of VCS Faith and Life materials and it is very good. We had some fine help the last week in the person of Miss Bernandine Thompson from First Church Berkeley. I have said repeatedly since Miss Miriam Henderson came up in 1956 that this is the kind of summer program which provides the greatest help to the Churches in Alaska for the least money of any ~~thing~~ one single program. While they teach or supervise the VCS in the mornings they also can and do teacher training in the evenings. If we could be assured of such a person like either of these women (not a professional DCE from some large church) the churches in one part of the Presbytery at least could schedule their VC Schools so that she could get to take part in a maximum number in addition to helping with the girls in the Presbytery summer camps. In the camping program a major problem is always to get sufficient women counsellors.

Summer attendance has been very close to previous years, a few less than 57, a few more than 1956 and 1958.

Because of the increased summerschool program at the University of Alaska we have had more than a few of them and the resident population was taking advantage of the unusually good weather in June to garden and work on their houses.

The most notable thing about the month of August was the fact that Church Attendance held up quite well even after the summer session at the University ended. There were a great many out of town guests and visitors.

During the month we were also host to Bill Wyley while he was here attending the Child Welfare Conference at the University.

Personal highlight of the month was my trip to Anaktuvuk Pass with John Chambers and Brian Cleworth. There we dedicated the Chapel and met with the congregation. A very good service and inspiring to say the least to think that in this wind swept mountain pass in the midst of a migratory people here stands a building representing stability, permanence and hope.

I took a week vacation from August 28 - September 4. Went hunting with John Bartholomew but got no moose.

There were several highlights of activity this month.

The University fall semester began and our church is once again well filled with students. The University student Bible Class meeting at the Sunday Church School hour averages the first two weeks at 8 in attendance. Plans were made to have the first meeting of the Westminster Fellowship (UPY) Sunday evening, October 4. For the first time I have received the willing backing of the session for a denominationally identified group. I could have forced it in previous years but they had to see for themselves that the day is not yet for an interdenominational student group.

The teachers from our Sunday Church School (mostly new to us) and from the Fairbanks Sunday Church School took part in a teacher training and quarterly review of the fall materials for the Faith and Life Curriculum. It was a very successful and worthwhile program of five evening spread over 3 weeks. Brian, Neil and I took the Church History sections with people who had attended the leadership training schools leading in the departmental sections.

Our Church officer planning session which took a whole Sunday afternoon was very fruitful. The awareness of Christian responsibility on their part seems to be increasing. They were very optimistic about an enlarged budget for next year. They are concerned for our outreach which they have come to understand as the real business of the Church. Feet and program have to be put on these hopes but I think we are moving in the right direction. They are very concerned for our building situation and I think will set an example of generous giving for others to follow when the time comes for a building fund campaign.

There were some apprehensive times about enough teachers for our Sunday School but God used a sermon I preached on Christian responsibility to bring forward 4 volunteers which was exactly the number we needed--excellent people too. My faith was certainly tried the early part of the month. Attendance in SS the last two Sundays of the month reflected the return to school and is I think an indication that we will have an increased attendance this fall, winter and spring over last year.

One of the highlights of the month was the World Wide Communion service on October 4. Our church lends itself to giving a sense of close fellowship. The Deacons had glued copies of the service of communion from the BCW in the back of the Hymnals which we followed. There were numerous comments about the service.

This was amonth of community activities for me. I could hardly avoid being involved in the Federated Fund Drive and was on tap for several meetings in addition to writing some letters. I have become involved in a Community Music Council to try and promote some community Chorus activity and to help with the scheduling of musical presentations by various groups. The YMCA is planning a membership drive and I am involved in that.

On Sunday afternoon, October 4 the Ministerial Association conducted a religious survey of Fairbanks and considerable time was involved in preparing and cleaning up afterward. This along with Presbytery meeting in College the first week took care of the first part of the month.

Out of the census cards which came back to us we have been able to reach several new families. The Deacons have been calling on each family which indicated a Presbyterian preference and are getting a fair response.

Brian and I each visit the hospital twice a week now on alternate days. We have discovered a great number of Presbyterians without a church membership (active).

The Last week of the month I had the privilege of attending the West Coast Area Evangelism conference in Burlingame, California. This was very inspirational and challenging. One of the great things was the opportunity to meet with the Synod Evangelism Committee and get acquainted with the individual men not to mention the opportunity to talk with people from churches all up and down the west coast and pick up new ideas.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The highlight of this month was our EMC. On Sunday afternoon, November 1 we had the first of two training sessions for the callers. This year we had 16 people, 8 teams. After the second training session on November 8 we had a very successful canvass. At present we have 42 pledges and \$13,850 pledged out of a total budget of \$16,275. We hope to have 50 pledges by the first of the year.

During the month the Deacons have continued to call on the families whose names have come to us through the census taken in October.

The Sunday School attendance for October and November has held up very well and I think these figures are new highs for us. One of the reasons may be that we have had a very mild winter so far with very few Sundays with below zero temperatures.

During the month I started an adult communicant class with 4 adults in regular attendance. In addition to these we will, by transfer of letter, be receiving three other members on December 20.

On Sunday afternoon, November 22 we had our annual Thanksgiving Church Dinner and showed the film "The Secret of the Gift". We had 96 people (including children) sit down to eat in shifts.

Our music at the Church has suddenly been revived. We again have a fine junior Choir with 14 voices. Our adult choir has 10 including the two music professors from the University. A mother has recently started a cherub choir but I do not know what progress she is making.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons).

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The highlight of the month is in two parts. The Christmas Eve service was one and the dinner in the University cafeteria for students left on campus over the holidays was the other.

The Women's Association bought and ~~and~~ made and hung new draperies in the sanctuary. They are a light tan or beige and the one across the windows are translucent. My wife and Mrs. Bettisworth did the Christmas decorating with the result that the sanctuary never looked nicer. As usual the Christmas Eve service had standing room only. Since this is the only time many people in the community come to Church we all try to make it as attractive and Christ centered as possible.

The dinner at the University on the Sunday afternoon between Christmas and New Years is the second dinner of theis kind we have attempted. We fed between 150 and 160 people. A few over 100 students and 40-50 members of the congregation. It was pot-luck except for the ham entree whidh the Women's Assoc. prepared. Since the cafeteria is closed over the holidays, the students are very happy to respond to such a dinner invitation.

The early part of the month I was very much involved with a YMCA membership enrollment drive. I am also the chairman of a local music coordination committee and we put on a Christmas band and chorus (community organizations) concert December 20. Great success.

It was a real joy to receive into the Church by baptism and confession of faith a couple I married three years ago and have been keeping in touch with.
